CK BIRLA GROUP

One of The Leading and Most Respected Business Groups in India

We are a growing US\$ 2.4 billion conglomerate that has a history of enduring relationships with renowned global companies. The Group's operations are spread across six industry sectors- Home and Building, Technology and Automotive, Healthcare and Education. With over 20,000 employees, 41 manufacturing facilities, 22 service delivery locations, 4 hospitals and numerous patents and awards, the Group entities are present across five continents. Our customer base includes some of the world's best-known companies and we also enjoy partnerships with several global leaders.

Our vision is to create value in tune with the rapidly changing needs of customers, partners and communities in the twenty-first century. Our companies are strengthened by shared guiding principles that include a focus on long-term value, trust-based relationships and philanthropy. Today, each of our entities is transforming to significantly increase the collective strength and synergies of the Group's size and span, with technology and talent driving the expansion. Beyond business, we commit significant resources to philanthropic initiatives in scientific research, development and the preservation of India's heritage.

INDIA'S PIONEERING BUILDING MATERIALS COMPANY

Established in 1946, HIL Limited is a flagship company of the CK Birla Group. Being World's largest manufacturer and seller of fibre cement roofing, HIL Limited offers comprehensive building solutions. Since last 70 years, the company has achieved market leadership by developing and marketing advanced high quality, innovative, more sustainable products for the building materials industry.

HIL HAS 5 BRANDS

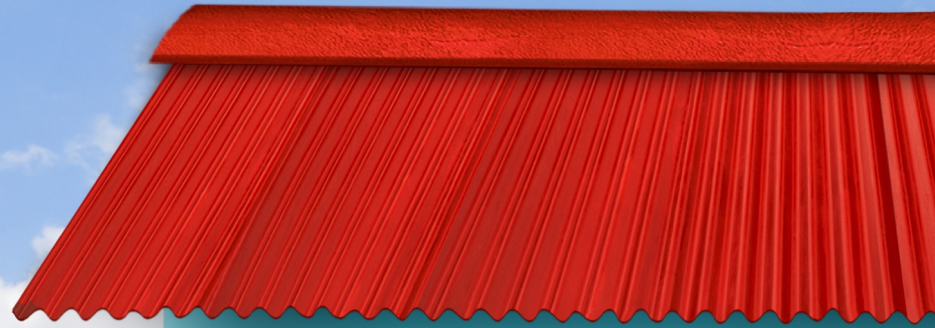

Birla HIL
Birla Aerocon,
Charminar,
Charminar Fortune,
and Parador.

The company boasts of 21 state-of-the-art manufacturing facilities in India, & 2 manufacturing sites in Germany and Austria, reiterating its commitment to innovation through a dynamic R&D facility, offering products that are affordable, strong and durable. Having pioneered in green technology keeping in mind the paradigm shift to green building materials almost a decade ago, the company stands out with its signature TrueFiT™ technology that has created a benchmark in the piping industry.

HIL is committed to health and safety practices, which is reflected through its vast range of products that are environmentally viable and conducive. Given its strong emphasis on customer centricity, HIL Limited also ensures a widespread reach through an extensive sales and distribution network spread across the country, with a representation in all the states. It's strengths are truly It's employees, loyal dealers and satisfied customers.

5

ADVANTAGES OF BIRLA HIL

Reason 1
TrueFiT™ technology for 100% leak-proof joints

Reason 2
Top-notch raw materials to deliver high - end quality products

Reason 3
Robust manufacturing processes to deliver consistent top - quality products

Reason 4
Uniquely designed corrosion - resistant brass fittings to deliver high torque - bearing capability

Reason 5
A committed team to help build your dream project

Birla HIL UPVC Pipes and Fittings

Substantiality for Longer Life

- TrueFit™ Technology for 100% leak-proof joints.
- UV stabilized and fire resistant
- Top-notch “LEAD FREE” in house compound developed by DSIR Approved R&D Centre
- Cost effective, easy to install, lower labour cost, low maintenance
- No corrosion, leakage, scaling, pitting, algae formation
- Regular Lab Testing of finished product from NABL Accredited Labs

Birla HIL SWR Pipes and Fittings

Superior Design for Enhanced Impact

- Wide range of pipes and fittings up to 160mm
- Quality that adheres to BIS Standards
- Yellow sealed leak-proof Joints
- Easy Installation
- High Impact Strength
- UV Stability & Long Life
- Chemical and Corrosion resistant
- Maintenance-Free

Birla HIL Pressure Pipes and Fittings

Prominence of Durability and Cost Effectiveness

- Corrosion, Chemical and Abrasion Resistance
- Strong, Tough, Light in weight and Long Lasting
- Non-conductive and self-extinguishable
- UV Stabilized
- Smooth inner Surface for high flow rate and no algae formation

Birla HIL UGD Pipes and Fittings

- Sufficient durability to meet soil overload requirements
- High flow capacity
- Great flexibility
- Easy Installation
- Long lasting

Birla HIL Column Pipes and Fittings

Technology of tomorrow for Trouble Free Performance

- Specially designed threads and EPDM 'O' Rings to ensure 100% leak proof joints
- Advanced Manufacturing Technology ensures pipes of higher impact & tensile strength
- SS Double Wire Technology – Double guarantee of pump safety
- Constant inner diameter ensuring continuous flow
- Top-notch "LEAD FREE" in house compound developed by DSIR Approved R&D Centre.
- No corrosion, leakage, scaling, pitting, algae formation
- Wide range of pipes upto 25 mm to 100 mm

Our Ref: AI/BO/CML- 72001/09007

Date: 28-09-2020

Subject: Grant of BIS Certification Marks Licence No-72001/09007 as per IS 15328:2003.

M/S HIL LIMITED
BLOCK NO. 581, 582, 586/4,
VILLAGE-GOLAN
TA- VALLEUVALEKOTAP,
GUJARAT - 394503

Dear Madam/Sir,

With reference to your application, we are pleased to inform you that the Certification Marks Licence has been granted to you to use the Standard Mark in respect of the following:

IS 15328:2003.
Product:- Unplasticized Non-Pressure Polyvinyl Chloride (PVC-U) Pipes for use in Underground Drainage and Sewerage Systems

Graded Size/Type/Variety
SOB-51/ SN-2, DN 160mm to DN 200mm, Plain ended and socket ended (socket for solvent cement jointing)
SOB-41/ SN-4, DN 125mm to DN 200 mm, Plain ended and socket ended (socket for solvent cement jointing)
SOB-34/ SN-8, DN 63mm to DN 200 mm, Plain ended and socket ended (socket for solvent cement jointing)

- The licence is granted on the explicit condition that you will mark entire/substantial production which conforms to the Indian Standards.
- The number assigned to this licence is CML- 72001/09007 which has been made operative from 2020-05-20 and is valid upto 2021-08-19. The licence number should invariably be referred to in your future correspondence.

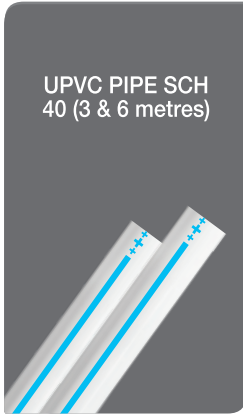

According to sub-regulation (1) & (3) of Paragraph 5 of scheme 1 of Schedule II under Bureau of Indian Standards (Conformity of Assessment) Regulation, 2018, the annual licence fee of Rs. 20000.00 and the marking fee for use of standard mark as per Annexure-1 of Scheme 1 of BIS (Conformity assessment) Regulation, 2018 is payable by you with effect from 2020-08-20 for the period of validity of the licence in advance.
